Future releases:

The release of the new "printed in Brazil" banknotes has been put off until March of 1970.

The Isle of Man will issue a 50 pence note in October to replace the 10 shilling note now in circulation.

India will issue commemorative notes for the centenary of the birth of Mahatma Gandhi October 2nd. Commemorative denominations will be two, five, ten and one hundred rupees.

Lord Iwakura Tomomi will be on the face of the new 500 yen note of Japan. Note will be released in November of 1969.

The Central Bank of Argentina plans to replace the present "Peso Moneda Nacional" with the "Peso" at the rate of one hundred old for one new. Released no later than Jan. 1, 1970.

All notes are uncirculated unless otherwise stated. Please enclose a stamp with orders under \$1.00. Your response to my July list has kept me out of the dog house most of August. Thank you.
